- Tom Gibney, Racehorse Trainer, Meath

We have been using NuevoAgri and found it excellent in both eliminating and preventing bacteria and viruses within our yard. It is also excellent value for money.

– Pat Doyle, Racehorse Trainer, Tipperary

We have been using NuevoAgri in our Breeding Shed and Foaling units. The results have been very impressive and I would not hesitate to recommend this as an all-round cleanser and disinfectant. It's ease of use and cost effectiveness make it a great product.
